Young Scientists

## **Registration:**

<https://registration.maw.co.at/endodontie24>

## **Conference participation:**

On site or virtual. Workshops/hands-on courses will not be streamed.

You have the opportunity to take part physically on site or follow the conference live-stream. Participation in the venue also allows you to visit the attractive exhibition and interact with speakers and colleagues. Lectures and presentations will be available to all registered participants on demand following the conference.

Workshops/hands-on courses will not be streamed

## **YOUNG SCIENTIST AWARD - RESEARCH IN ENDODONTOLOGY**

The ÖGEndo and VDZE offer research prizes to be awarded on the occasion of the 2024 Annual Meeting in Vienna from December 12 to 14. The best achievements will be honored. Abstracts are to be submitted by email to **Vienna2024@endocongress.at until 1<sup>st</sup> September 2024.**

The Scientific Committee will select the submitted abstracts for 10-minute oral presentations to be given prior to the main program. The best performances will be awarded with € 3,000, € 2,000, € 1,000, respectively.

Young scientists are encouraged to submit their research. Nominees must be no older than 35 years by December 31, 2024.

**Applications must include the following:** Applicant name, date of birth, address, telephone number, e-mail address and short curriculum vitae.

The abstracts must be approx. 300 words long and include the sections Objective, Methodology, Results and Conclusions.
